Teaching notes

Explore

Find out about Creative Commons licensing by reading and discussing the New Creative Commons Information Pack. Information about Viscopy, Australia’s and New Zealand’s not-for-profit rights management organisation and Australian copyright law are useful for developing an understanding about rights for creators. Decline the request.

Your tasks

Task 1 – Joining creative sharing sites – focuses on identifying and selecting appropriate social networking sites that offer the opportunity to share creative works.

Task 2 – Deciding on the level of access you give others – looks at ethical and legal rights associated with sharing and using creative works via the internet.

Task 3 – Making comments and responding to the comments of others – aims to provide understanding about posting and receiving comments about creative works. Students could research articles on the internet to assist with writing their own guidelines.

How to use this resource

This resource, Creative sharing, is designed to support the Digital Education Revolution – NSW (DER-NSW) program and has a specific orientation towards teaching Digital Citizenship. The resources and tasks are aimed at supporting student use of the DER-NSW laptops in both online and offline classroom environments.

If you have difficulty viewing this resource on the DER-NSW laptop screens you can switch your web browser to full screen mode. With your web browser open press F11 to switch between normal and full screen mode.

For more detailed support on how to use the DER-NSW laptop software referred to in this resource please visit the TaLe Tools+ site.

This resource can be used to raise awareness of the importance of understanding, using and complying with copyright laws and creating ethical content in social networking sites.
